

The Evora Edition

This is an extra edition of the Lotus Drivers Guide Newsletter, in order to present to you:

Lotus Evora

At the British Motor Show the new Lotus Evora was unveiled by Mike Kimberley (CEO of Group Lotus plc) and Proton Chairman Mohammed Azlan Hashim. For me this is enough reason to sent out an other extra Newsletter, I just hope you do not consider me to be a spammer now....

Just some images, more info is to be read in the press releases section of the website, please click here: http://www.lotusdriversguide.com/Press/New_2+2_sportscar.php

Nothing to see yet.....

The faceless people

Mike Kimberley (CEO of Group Lotus plc) and Proton Chairman Mohammed Azlan Hashim

There we go....

Lotus Evora!

interior

detail of the headlight

The car will be available starting April 2009, while dealers in England are already taking a large amount of orders. I heard one dealer was on 21 orders and expects to sell 60 cars this year.

And the first scale model is also there, made by Matchbox:

That's all for now!

I'll be on holiday soon, so the next newsletter will be later as usual. Have a great summer!
